OCTOBER 2018

Member in the Spotlight!

Bob Kent has been a member of the Beaver County YMCA for 14 years. He originally joined to get back in shape and lose weight. Now, his reason for coming each day can be summed up in one sentence, "It just feels right." The friendly staff and atmosphere make this a place for Bob to stay healthy in an attempt to remain cancer free! The older members that continue to push themselves will always inspire Bob. His ultimate goals are to stay cancer free and make it to his next birthday. The YMCA is here for you, Bob!
