Member Guide

WELCOME

Welcome to the Beaver County YMCA. We are a mission-driven, not-for-profit organization committed to: putting Christian principles into practice through programs that build a healthy spirit, mind and body for all.

Founded in 1889; the Beaver County YMCA is the oldest non-profit in Beaver County. The YMCA strengthens the foundations of our community by focusing on youth development, healthy living, and social responsibility.

We believe that lasting personal and social change can only come about when we all work together to invest in our kids, our health, and our neighbors.

I challenge you to really take advantage of all of we have to offer. Our programs are plentiful and affordable and many are included complimentary or at a reduced rate.

At the Y, strengthening community is our cause. Every day, we work side by side with our neighbors in our community to make sure that everyone, regardless of age, income, or background, has the opportunity to learn, grow, and thrive. This is made possible through contributions and volunteerism through our YMCA Annual Campaign to further our Mission.

Thank you again for choosing the Beaver County YMCA. We look forward to working with all our members to improve our community and provide healthy and positive options and opportunities for all.

Sincerely,

Michael B. Harich
President/CEO

YMCA Has a Long History in Beaver County

Since 1889, the Beaver County YMCA has been building strong kids, strong families, and strong communities. We have strived to meet the needs of our members, as well as our community. From our roots as a Christian organization for men, to our present mission of providing numerous services to families, the YMCA has been a constant in this community.

- We offer programs for children, youth, adults and families. We focus on fitness and fun, while teaching values and sportsmanship.
- We offer high-quality childcare services, offering you convenience and peace of mind knowing that if your child can't be with you, he/she can be with people you trust.
- We reach out to the community through our annual Christmas of Giving, pairing families in need with others who have enough to share. The families then shop together for Christmas gifts so that even when a family is down on their luck the children will know someone cares.
- The Beaver County YMCA offers top-notch aquatics programs to the community.
- We care about our aging population and offer programs that meet the health needs of seniors, such as Arthritis Aquatics, SilverSneakers® and Silver & Fit®.
- We offer financial assistance exceeding \$100,000 per year through our YMCA scholarship programs awarding the community, memberships and access to programs based upon requests submitted.
- We listen to your needs and concerns, and offer programs accordingly, such as hunter-safety courses; babysitting workshops for teens and pre-teens; and lifeguarding certification.
- We offer summer playground service to the youth of Beaver County, including a free lunch program.
- We provide free summer lunch programs as well as year-round dinner programs throughout the community for children 18 and under.

You will find various YMCA policies and other useful information in this "New Member Guide." Additional information can be found in the enclosed program guide, including a listing of staff.

Membership/Annual Campaign

Membership Implies a Sense of Belonging

At the Beaver County YMCA, we value our members' comments and suggestions. We value your needs and their ideas. We rely on our members for much of what we do. We add programs based on member ideas and needs. We expanded our Wellness Center and added locker rooms, including a family changing room, therapy pool, multipurpose room, and group cycling studio based on member comments and suggestions. We are all the YMCA.

We are a facility that offers many services to many families and individuals. We try to meet the needs of all of our members. We are more than a state-of-the-art fitness facility. We are a childcare provider; a center for youth sports; an aquatics leader; a senior center; a youth center; a community leader and advocate; and a place for Beaver County YMCA members to call their own.

Annual Campaign

The Beaver County YMCA mission is to put Christian principles into practice through programs that build a healthy spirit, mind and body for all. We do this every day, but need generous community financial support to make it happen. Our Annual Campaign provides just that.

Here are some examples of the impact the Annual Campaign has in your community:

- Serves students through our free structured and supervised playground program.
- Covers membership scholarships to families in need.
- Provides Christmas for families.
- Provides a day camp experience for displaced children in Romania that includes hot meals.
- Connects individuals and families to safe visits at our managed pools in Midland and Ellwood City.
- Feeds warm meals through our Youth Supper program.
- Provides emergency drop-in care visits to families.
- Provides toys to families through our "Children helping Children" program.
- Provides free swimming lessons through our "Swim for All" program.

YMCA A.W.A.Y.

A.W.A.Y. means "Always Welcome at YMCAs." The A.W.A.Y. program is based on the philosophy that when a person enrolls in a YMCA, he or she becomes a member of a nationwide association of people that helps build strong kids, strong families and strong communities and therefore, when away from home, on business or vacation, will be warmly welcomed by all other participating YMCAs in the United States. A YMCA's participation in this program is voluntary. Some restrictions apply.

Because each local YMCA sets its own policies, each participating YMCA in the A.W.A.Y. program develops its own local restrictions. Many participating YMCAs have no restrictions on visiting Y members. Restrictions may include "visits by members of YMCAs within 50 miles are limited to four per month," "visiting members may only use the facility at certain hours," "visiting members will be charged half the guest fee," or "visiting Y members are restricted to a limited number of visits each year." If you are planning to visit another YMCA, visit www.ymca.net or call that YMCA for its visitor policies.

Sex Offender Policy

Beaver County YMCA will review all members and guests against the National Registry of Sex Offenders and prohibit membership or access to our Y for individuals classified as sex offenders.

Health & Wellness

YMCAs have led community-based health and fitness for more than a century. Research continues to support the approach to health that YMCAs have taken since 1891 when Luther Gulick proposed the red YMCA triangle as a symbol of a person's "essential unity – spirit, mind and body – each being a necessary and eternal part of man." Participation in Y health and fitness programs offer opportunities for friendship and community, a sense of well-being, self-confidence, and improved mental abilities and cognition – not to mention the obvious benefits of healthy hearts, lungs, bones and muscles. The Beaver County YMCA knows that people of all ages, incomes and abilities can benefit from good health and wellness programs.

Adult programs at the Beaver County YMCA include various aerobic classes; strength training; walking; personal fitness; exercise for beginners; weight management; cycling; and free-weight classes.

- **Personal Training Policy** - Personal training or coaching at the YMCA is provided by YMCA employees only. Failure to comply with the policy is a direct violation of YMCA policy and may result in termination of YMCA membership privileges.

Lessons are planned according to individual needs and schedules; the most common is (6) 30 minute classes held once a week.

Community Development

The YMCA believes we all need a place to belong—a place where we genuinely care about one another, share in decisions, treat each other with respect and pull together for a common cause. The Beaver County YMCA brings together people from different walks of life in an environment where all can feel comfortable.

Each year, the Beaver County YMCA addresses a topical issue and develops community programs. Past topics have included terrorism, anger-management, unemployment, and health & wellness. To support these topics, the YMCA has held lecture series, a teen summit, and luncheon programs to share appropriate information with the community.

Some of the ways we reach out into the community include:

- Summer Meal Program
- Christmas of Giving
- Youth Supper
- Family Nights
- REC at the Y Program
- Scholarships
- SilverSneakers®
- Silver & Fit®
- 5210 program
- AARP Drivers Education
- Playgrounds
- Community Pools
- Fitness Classes at the Beaver County Housing Authority Sites
- Partner with area churches to provide church services and mission-based programs to the residents of Beaver County.
