How You Can Help

It's easy and it's a great way for you to help your community by simply rounding up your monthly membership fee. The additional dollars will be donated to our Annual Campaign which funds local programs throughout the year. You'll receive a receipt for your donations at the end of the year.

89% of every contribution made to the Beaver County YMCA went to the direct service of children and families. The Beaver County YMCA provided \$3,243,452 of community support in 2018. (As calculated in our 2018 Form 990)
