FREE SUMMER MEAL SITES & PLAYGROUNDS

The Beaver County YMCA is excited to announce the opening of our annual FREE playground programs in our local communities. The children will be able to enjoy a different and exciting theme every week with summer counselors who will be creating an atmosphere of fun by incorporating activities including sports, arts and crafts and many other structured activities. Your child will continue to learn and grow while enjoying the best summer yet! Depending on your location children will receive either breakfast and lunch or lunch and snack daily. Each playground is supervised by a YMCA staff certified in CPR and First Aid. The children must be entering kindergarten through sixth grade unless accompanied by a parent/guardian.
