Welcome to Camp!

We are so excited to invite campers to attend our 2022 Summer Camp at the Beaver County YMCA. This summer, we are focused on offering a safe space for campers to build relationships, explore and discover new concepts, and have fun with friends! Our themed weeks provide students with the opportunity to explore topics through arts & crafts, STEAM, organized games, social emotional learning, and team building activities. We are happy to continue serving the families in our community, and we look forward to seeing you all this summer!

Camp Activities

Campers can enjoy activities that include:

- **Field trips:** Our campers will be attending various field trips that connect to our weekly themes.
- **Swimming:** We offer swimming daily at our indoor pools and special trips to our Y-affiliated outdoor pools.
- **Gross Motor Activities:** Campers can take part in various sports and organized games that build teamwork, confidence, and problem-solving skills. If they don't know how to play, our counselors will teach them!
- **Outdoor Play:** Our outdoor facility offers time for campers to play in our mud kitchen, sand box, gaga pit, and water sprinklers.
- **Cabin Time:** Campers take part in cabin time daily to better develop their relationships, communication skills, and character development.
