In accordance with Federal civil rights law and USDA civil rights regulation and policies, the USDA, its Agencies, offices and employees, and institutions participating in or administering USDA programs are prohibited from discrimination based on race, color, national origin, sex, religious creed, disability, age, political beliefs or reprisal or retaliation for prior civil rights activity in any program or activity conducted or funded by the USDA.

Summer Food and Playground Program

The Beaver County YMCA is excited to announce the opening of our annual FREE playground programs in our local communities. The playground program has many things to offer including weekly themes such as sports, games, along with many other activities. Swimming lessons and field trips will be sure to make it a great summer. Each playground is supervised by a YMCA staff certified in CPR and First Aid. The children must be entering kindergarten through ninth grade unless accompanied by a parent/guardian. Please visit our website or call the Y at 724-891-8439 for additional information about locations in your neighborhood.

If you have any questions, please contact Kourtney Shoop, Food Service Director,
724-891-8439 ext. 310 or foodservice@beavercountyyymca.org

S.O.T.A. MARTIAL ARTS PROGRAM

Children will primarily learn striking techniques that involve the hands, feet, knees and elbows. As they move up in rank they will also begin to learn blocking/deflecting techniques, break falls/rolls, and some basic escapes from being pinned or held along with the proper way to get too their feet under pressure.

Teens ages 13 to 16 will learn the same skill set as the children with more emphasis on using escapes or controlling their opponent/attacker on the ground.

The adult program incorporates everything from the children and teen program with the addition of submission holds on the ground along with stick and staff drills and techniques.

The majority of the training at each age group will make use of various targets, shields, or other training tools. This means that a student is almost always working opposite of a partner, which builds teamwork and cooperation with an emphasis on learning from the drill on both sides of the pads. This type of drilling builds focus by providing instant feedback with each drill. The goal is to teach students practical self defense skills in all ranges starting out slowly and gradually building their skills, strength, and confidence.

Days: Tuesday & Thursday Nights - One Day/Two Days

Time: Children: Ages 6 to 13 - 6-6:45pm

Teens and Adults: Ages 14+ - 6:50-7:50pm

Fee: Non YMCA Members: \$40 for One Day; \$70 for Two Days

YMCA Members: \$30 for One Day; \$50 for Two Days

There is a one time registration fee of \$40 in addition to the program cost for new martial arts students with a uniform, future belts, belt testing, and certificates all included.

Please follow this link to register prior to your first session and we will try to have your uniform ready before you start. <https://cp.mystudio.io/m/?=Glx/3869/45743//1665618545>

Sparring Gear will eventually be required for sparring and drilling to progress. All gear should be purchased through your instructor for safety reasons. This will not be needed until your second 8 week session but can be purchased sooner if desired. Cost will vary depending on your needs and can range anywhere from \$120 to \$160. You can view and purchase the recommended youth and adult sparring gear bundles with a discount at the following links.

- **Youth** - <https://cp.mystudio.io/r/?=Glx/3869/80220//1665618971>
- **Adult** - <https://cp.mystudio.io/r/?=Glx/3869/80219//1665618971>

There is an optional online curriculum available with study guides and instructional videos that is very beneficial for new students and to maintain progress between sessions. "Maintaining is gaining" The cost is only \$8.50/month.

You can sign up for the online curriculum here:

Beaver County YMCA

HEALING IN MOTION FITNESS PROGRAM

BCCHA partners with the Beaver County YMCA to help Beaver County residents, who have battled or are currently battling cancer, live healthier and happier lives through a reduced cost YMCA membership.

Cancer Focused Classes

All cancer focused classes are taught by certified personal trainers, tai chi, and yoga instructors with an additional layer of cancer specific education. Classes are free, but registration is required to keep classes small for immunosuppressed individuals.

Safe Strength Training for Cancer

This class will utilize a combination of body weight, resistance bands, and free weights to assist with increasing strength. Exercises will have three different levels based on level of function and fatigue for any individual. Focus will be on functional fitness in this class.

Tai Chi for Cancer

Tai chi has been shown to be extremely beneficial for cancer patients. It is an internal martial art done to promote strength and inner clarity.

Cardio for Cancer

This class will assist with increasing your heart rate in safe intervals based on your level of function. Done with varying levels of body weight exercises as well as walking on our indoor track.

Balance and Core Strengthening for Cancer

This class will focus on enhancing your balance and core strength (where your balance is ultimately derived) at a safe level of intensity.

Restorative Yoga

Restorative yoga has been shown to be the most beneficial yoga class for individuals with cancer. This class will focus on extended periods in positions in which muscles are elongated and supported by props. Meant to serve as a means of recovery and restoration, this class is appropriately titled! Taught by our certified yoga instructor, Morgan Moser, who is also a cancer survivor!

**other classes that benefit individuals with cancer (without class size limitations) include but are not limited to: chair yoga, beginner barre, and water walking. Check our AOA class descriptions for more information. Schedules updated monthly.

Included in Your Membership:

Swimming Pool & Sauna

Need some aquatic relief? You will have access to the newly renovated swimming pool, sauna, and steam room.

Group Fitness Exercises

Organized fitness challenges, wellness programs, and goal-oriented initiatives to keep members engaged and motivated. Workouts specifically catered to you!

Cardiovascular Equipment

Access to a range of cardio machines like treadmills, ellipticals, stationary bikes for cardiovascular workouts.

Guest Speakers

Professional guidance from local experts to help members create healthy habits, reach their fitness goals, and more ways to crush life pre-, during, and post- cancer.

Strength Training

A selection of weightlifting equipment, freeweights, and resistance machines for building muscle and strength.

Cancer Nights

Organized events open to the public that bring the community together to learn about cancer topics and local services.

Parkinson’s Focused Classes

While all exercise is beneficial for slowing the progression of Parkinson’s, these classes are taught by instructors who have an additional layer of training specific to Parkinson’s disease. Schedule updated monthly and Parkinson’s classes can be found on the AOA schedule.

Cognitive Balance and Strength: During this class, individuals will strengthen muscles used to improve overall balance. People with Parkinson’s will get additional benefits by practicing functional movements that are especially challenging for them. Held in our Fitness Studio.

Delay the Disease: This class focuses on movements and exercises clinically shown to delay the progression speed of Parkinson’s. Held in our Fitness Studio.

Chair Boxing: This seated boxing style workout will help you burn calories while working on coordination and footwork. **Great for people with Parkinson’s as there is research to prove these style workouts help reduce tremors.** Standing is optional.

**other AOA classes that are beneficial for individuals with Parkinson’s include but are not limited to: tai chi/water tai chi and silver splash; see AOA class descriptions for more information.

Class Descriptions

7-Minute Circuits – This 45-minute class challenges you to get through as many rounds as possible in 7-minutes! 4 exercises each round, 2 circuits, 2 times. A great way to challenge your body at your own pace! Also great if you're short on time!

Adult Ballet – Whether you're a beginner or have prior dance experience, Adult Ballet focuses on building strength, flexibility, and coordination through graceful, yet challenging movements. It's a full-body workout that emphasizes posture, balance, and alignment, all while learning the fundamentals of classical ballet technique.

Ballet Body Sculpt – Ballet Body Sculpt combines the elegance of ballet with strength-training exercises to help sculpt and tone your body. Using a combination of ballet-inspired movements, light weights, and body resistance, this class targets key muscle groups to build strength, improve flexibility, and enhance overall body awareness. It's a low impact class that delivers a total body workout while focusing on long, lean muscle development.

Barre – In our Barre class you will achieve a full-body workout concentrating on toning the hips, thighs, glutes, abdominals, and arms. This low-impact workout focuses on isometric exercises that will strengthen your legs, core and back, while improving your posture and flexibility. After working each muscle group to the point of fatigue, muscles are stretched for relief to create long, lean muscles without bulk.

Boot Camp – An interval training class that mixes calisthenics and body weight exercises with HIIT and strength training. With a new workout every week, these classes are designed to push participants harder than they'd push themselves and to always keep the body guessing.

Cardio, Strength & Sculpt – This class will combine High Intensity Interval Training with a PiYo-style workout to incorporate low impact strengthening movements. The best of both worlds!

Core & More – This class focuses on strengthening the abdominals, glutes, lower back, hips and shoulders either as primary or supportive muscles.

Cross Training – Includes elements of cardio, strength, and flexibility training. It's perfect for anyone looking to mix up their current routine.

Cycle – If you think riding a stationary bike is dull, you've never tried indoor cycling! Our cardiovascular classes strengthen your whole leg. You must register online, on the phone or at the Member Service Desk. \$2 for Members and \$10 for Non-Members (half price for 30 minute classes).

Dance Cardio – 45 min dance fitness class that consists of a warm-up session, toning & tightening, 2 dance choreography segments, a high-intensity interval training (HIIT) cardio section, & a grand finale where all the dance moves come together. Get ready to groove, tone & sweat with us!

HIIT the Step – HIIT the Step is a dynamic, heart-pumping workout that combines the intensity of High-Intensity Interval Training (HIIT) with the fun and functionality of step aerobics. This class alternates between high-intensity bursts and recovery periods, using a step platform to enhance cardio fitness, improve coordination, and build strength. It's an efficient and effective way to burn calories, boost metabolism, and challenge your body in a full-body workout.

Lunch Spin – Perfect for a quick, energizing break during your day, this 30-minute spin class is designed to get your heart pumping and boost your energy. With a mix of sprints, climbs, and intervals, you'll work your legs, burn calories, and improve cardiovascular endurance—all

in just half an hour. Whether you're squeezing in a workout before a busy afternoon or looking for a midday pick-me-up, this high-intensity cycling class will leave you feeling refreshed, stronger, and ready to tackle the rest of your day.

fuses the core strengthening principles of pilates with the dynamic fluid movements of yoga. This low impact class targets building strength, balance, flexibility & will elevate your heart rate without placing excessive strain on your joints!

Resistance Training – Achieve a sculpted physique using light weights & resistance bands for a complete full-body workout. These bands are ideal for sculpting muscles & enhancing overall strength, offering a dynamic exercise experience personalized to your fitness objectives.

– This class is a barbell program for men and women of all ages and all fitness levels. Matching movement to music and using traditional strength training allows participants to work at their own level.

Spin Strong – Spin Strong is a high-energy cycling class that combines intense cardio with strength-building intervals. The class is designed to boost endurance and increase stamina while sculpting the lower body. Participants will engage in a variety of cycling drills, from hill climbs to sprints, all set to motivating music. Whether you're a seasoned cyclist or new to spinning, this class will challenge you at any level and leave you feeling strong and invigorated.

Sprint 8 – This 30 minute cycle class will be held in our cycle studio and will consist of 8 rounds of full out max effort sprints with a recovery interval in each round. A great way to maximize your time while maximizing your calorie burn!

Step Up – Put one foot in front of the other, and you're stepping! POWER STEP brings you more of what you love – athletic training moving on, around, and over the platform. This class is a one stop shop to get cardio, strength and balance in one class.

Stretch & Restore – Stretch & Restore uses gentle stretching, breathwork, and restorative poses to promote deep relaxation and healing. Whether you're recovering from a workout or simply need to unwind, this class will help restore your body, mind & promote deep relaxation and healing.

Supersets – Strength & toning class in which you move quickly from one exercise to a separate exercise. This can lead to muscle, cardiac and other health gains in a shorter exercise session.

Water Tai Chi – A gentle & fluid form of Tai Chi that draws inspiration from the movements and principles of water. Water Tai Chi is accessible to people of all ages and fitness levels. Its gentle nature makes it suitable for those recovering from injury or looking for a low-impact exercise option.

Yoga – This class introduces a wide range of key postures that help build towards an experienced yoga practice. Warm up stretches and breathing exercises may be practiced seated on the floor, standing up, and lying down. Modifications to full postures and the use of props, such as yoga blocks and straps, are offered for assistance. Yoga helps provide relaxation, improves flexibility, balance, posture, increases strength, and enhances self-awareness.

Zumba® – A Latin inspired dance fitness class that blends dynamic dance movements with a unique balance of cardiovascular benefits and total body toning.

ACTIVE OLDER ADULT

Active Older Adult Land Classes

CLASS DESCRIPTIONS

SilverSneakers® Classic - Have fun and move to the music through exercises designed to increase muscular strength, range of movement and activity for daily living skills. Hand-held weights, elastic tubing and a ball are offered for resistance; a chair is used for seated and/or standing support.

Beginner Cycle - Cycling class designed for both beginners and the active older adult community. Ride on the flats, up hills, through the rolling country side led by a certified instructor motivated by great music. It is perfect for everyone since you control the resistance and pedal speed creating just the right intensity for you. We will fit your bike and get you started so you feel comfortable.

Chair Boxing - This seated boxing style workout will help you burn calories while working on coordination and footwork. **Great for people with Parkinson's as there is research to prove these style workouts help reduce tremors.** Standing is optional.

Chair Aerobics - A cardiac workout for everyone that will increase your heart rate, burn calories and build strength to fun oldies music. Standing is optional.

Chair Volleyball - A fun way to exercise and be active. Chair volleyball provides a level playing field for both men and women of all activity levels because players are required to remain seated. It is a game that promotes rowdy comradeship and friendly competition among participants. The game is played with a large lightweight ball and a lower net.

Chair Yoga - This class introduces a variety of yoga poses seated and standing to increase flexibility, balance and range of motion using a chair for modification.

Delay The Disease - A Parkinson's Disease fitness class can be modified for sitting or standing using evidence-based Parkinson's symptom-focused exercises.

Drummercize - Works not only your body, but also your brain. It's different than a typical cardio dance class because you are doing choreographed movements with your body while doing synchronized movements with your hands. Think of it like learning to play an instrument while working out.

Dynamic Dumbbells - Join us for a strength workout using dumbbells exclusively. A total body workout for lean muscles and burning calories. Grab a pair of dumbbells, whatever weight you choose, and join us for this 30 minute strength session! **This class is especially great for individuals with concerns about osteopenia/osteoporosis.**

Just 4 You - This 30 minute program is a combination of cardiovascular, strength and flexibility components. Participants perform strength exercises using Life Fitness Circuit Series equipment. Circuit Series Strength Training equipment is designed for exercisers of all ages and every fitness level.

Just 4 You Studio Class - This 45 minute program is an extended combination of cardiovascular and strength components. Participants perform strength exercises using light dumbbells alternating with cardio floor moves. This class is designed for exercisers of all ages and every fitness level.

Line Dancing - A fun low impact dance class designed to get you moving.

Resistance Machine Class - A 30 minute class using all 10 resistance machines with instructor guidance on form and proper technique to fun upbeat music.

Senior Step Aerobics - Improve your day to day activities by practicing a safe step aerobics class designed specifically for seniors. Class is designed to help you improve gait, balance, and reaction time.

Walk & Talk - A 30-minute class walking outside the Y and surrounding area. During inclement weather the indoor track will be used.

Active Older Adult Water Classes

CLASS DESCRIPTIONS

Arthritis Class – This class is designed to center the body while lengthening and strengthening your muscles. We will work on core to promote better posture, balance, range of motion and enhance performance in everyday activities. This class is offered on land and in the therapy pool.

Hydro Fit – This is a one hour class using water as resistance targeting all muscle groups. This class is suitable for all fitness levels and is held in the shallow end of the lap pool.

Poolates – This class takes Pilates to the pool! Aqua Pilates combines the principles of Pilates with all the benefits of aquatic exercise by using the buoyancy, resistance, and gentle movement of water to strengthen muscles, enhance flexibility and posture, sharpen coordination and balance, and relax body and soul.

SilverSplash – A fun, shallow-water exercise class that uses a signature splash-board to improve agility, flexibility and cardiovascular endurance. SilverSplash is suitable for all skill levels and is safe for non-swimmers. The pool provides many benefits when used for aerobic exercise and resistance training.

Total Aqua Body – Get yourself in shape while suspended in deep water with the assistance of aqua belt. Using the water resistance, body weight, noodles, and aqua dumbbells you will be engaging core, arms, legs, back and chest for a full body workout!

Water Based Tai Chi – Water Tai Chi is an exercise and relaxation program, used to help people keep fit and prevent diseases. It is ideal for improving range of motion, balance and mobility, increasing circulation and oxygen levels. It can also be used for relaxation. Our classes are 60 minutes.

Water Volleyball – A low impact exercise that's gentle on joints, making it an ideal activity for people of all ages and fitness levels. The constant movement in the water provides resistance for muscles, resulting in a challenging and effective workout.

Water Walking – A very basic, low-impact, light-intensity workout using the natural resistance of the water to strengthen core musculature, increase balance, coordination and flexibility. Water Walking is appropriate for those just starting an exercise program or those interested in water exercise.

Why would this class be good for me?

If you are looking for a slower-paced water class, which integrates both mental and physical health, and leaves you feeling relaxed, this one is ideal for you.

FULL DAY CHILDCARE

The Beaver County YMCA is dedicated to providing high-quality, affordable childcare for families in our community. As one of the Nation's largest providers of childcare, the YMCA is committed to providing family-centered, value-based programs to nurture your child's healthy development.

The Beaver County YMCA Child Care Center has been granted a PA Keystone Stars Level 2 Certification.

Our center prides itself in creating a safe and respectable environment in which children can reach their full potential. Our center follows Gee-whiz, an age-appropriate curriculum to meet the needs of children in all age groups from 6 weeks to Pre-Kindergarten age.

Open from 6:45am–6pm Monday–Friday, our nurturing teachers are here to make sure parents have peace of mind while they work.

Infant Room – Ages 6 Weeks to 1 Year

We accommodate the needs and routines of each individual infant. Children are exposed to a variety of activities that promote emotional, social, and physical growth.

Child to Staff Ratio: 1:4

Toddler Room – Ages 1 Year to 2 Years

Children in our Toddler Room are encouraged to become more independent by exposing them to consistent rules and routines. Activities in this classroom include crafts, story time, gross motor time, and outdoor exploration.

Child to Staff Ratio: 1:5

Preschool Room – Ages 2 Years to 3 Years

In our Preschool Classroom, children become more independent, develop responsibility, and learn to interact in an appropriate manner. Potty training is completed while in our Preschool classroom.

Child to Staff Ratio: 1:6

Introduction to Pre-Kindergarten

Ages 3 years to 4 years

Children entering the learning stages will be introduced to an expanded curriculum including arts, language, science and math. Children will be introduced to a variety of pre-writing activities that they will use when they enter a Pre-Kindergarten program. To qualify for this program, your child must be potty trained.

Child to Staff Ratio: 1:10

Pre-Kindergarten

Children entering Kindergarten in the Fall of the following year

Children entering Pre-Kindergarten will be introduced to a full curriculum. They will also learn to recognize letters and numbers, begin to write, and begin to read sight words in preparation of kindergarten.

Child to Staff Ratio: 1:10

Beaver County YMCA

CHILDCARE

Beaver County Y now accepting new enrollment.

About our Childcare Director Megan Green

Megan Green is an innovative and skillful elementary school teacher who has been working in this field for more than 11 years. Megan has worked as a leader in education throughout roles as a Literacy Liaison and as a Site Director for the YMCA. She has a Masters Degree in Early Childhood Education, Pre-K-4th from Duquesne University combined with a diverse professional background which includes marketing and education.

Infant Room

Our childcare infant room serves children from ages 6 weeks to 1 year. We accommodate each child's needs and routines to help the infant and parents feel secure. Our staff assists in all developmental stages of each child with exposure to a variety of activities that promote their emotional, social and physical growth.

Toddler Room

This room consists of children from ages 1 to 2 years. Our staff encourages each child's individual growth and independence. There is a consistent routine including outdoor exploration and various learning activities like crafts, musical awareness, reading and gross motor development.

Preschool

Our children ages 2 to 3½ are very active and curious about the world around them. We introduce a formal classroom learning routine which includes circle time, stories, songs and finger plays. Basic language, math and social skills are reinforced daily.

Intro to Pre-K

Our preschool room serves potty-trained children ages 3½ to 5. Children in this room who come for childcare receive their morning preschool classes for free! In addition, they are actively engaged in a variety of activities throughout the day, such as arts and crafts, gym and playground time, nature walks, songs and stories, and more!

School-Age Care

We provide before and after school care for students through age 12 for students who attend Baden Academy. The children enjoy gross motor and outdoor time, quiet and homework time, games and fun activities, and much more. Our school-age site is located at the following:

- Baden site: Baden Academy, Gymnasium

MISSION ADVANCEMENT

MAY THRU AUGUST 2025

National Day of Prayer

Plan to join us on Thursday May 1st for the annual National Day of Prayer observance. We will be gathering in the YMCA Lobby from 9:00-9:30 AM for a time of group prayer. This is a time set aside each year on the first Thursday in May for Americans to pray for our nation and for our leaders. Join us to seek the help of heaven for the future of our country and our families.

Weekly Bible Study

We have a weekly Bible study group to help you with your spiritual fitness. Join us this summer on Wednesday mornings from 9-10 AM in the YMCA Board Room. Make plans to strengthen your faith along with all the other fun that summer brings. You will find more inspiration, more encouragement, and more new friends in the process.

Chaplain Chat

Life isn't always easy to figure out. As we deal with the daily grind, we could all use some prayer or just someone to talk to. As part of the YMCA's commitment to support your total well-being, we now have our very own YMCA chaplain stationed in the lobby at various times throughout the week. Stop by and let us know how we can be of service to you.

Mission Partnerships

We take our mission seriously, to put Christian principles into practice through programs that build healthy spirit, mind, and body for all. If you and/or your organization would like to help us advance that mission in Beaver County, please contact our Director of Mission Advancement, Pastor John Merola at DOMA@beavercountyyymca.org for more information.

Worship Night

Join us at the YMCA Commons for a free Worship Night, with special guest, the Seek First band, on Friday August 15 from 4-7pm. Weather permitting, we will enjoy the summer evening with an outdoor concert of songs that will uplift your spirit and energize your faith. There is no cost for this event. Grilled hot dogs will be served, so bring a friend and don't forget your lawn chair. See you there.

Coffee Klatch

Did you know that the YMCA Commons is home to Coffee Klatch, a ministry to those ages 55 and above. Every Monday morning from 9:45 to 11:15 AM, seniors from all over gather together to sing hymns, enjoy coffee, share snacks, and encourage one another in their faith. Make plans to join in the fun.
